Coach Notes

This was a must win match. We achieved many of our goals that we set in our game plan. We had 96% serving from the line. I would have liked to see more aggressive serving with just 5 aces but I am pleased with the ball in play mentality my team demonstrated. We passed very well in serve receive and terminated the ball well. We kept our opponent under 3 points in most rotations. We really did not get our offense going. It was all over the place--we did find the gaps and holes well. Our defense was fantastic at times but there are some things that we need to fix--and soon. We have a big tournament this weekend and I feel that we can have a very successful experience. The toughest part of the conference comes in the next couple of weeks. All of the teams left for us to play are doing very well and we will need to be on our best game.
