## Coach Notes

We knew that St. Michael was going to be tough.  
I feel that there were some very good moments in our play. It was very difficult to get something going--STMA does not allow alot to hit the floor. When we served tough we forced them off of their game a bit --the problem is that we needed to be more consistent in that area. Our passing fell a bit--everyone gets mentally challenged by jump serving --we have the passers that can handle a tough serve but they struggled tonight. It is tough to put the ball away on a huge block but we were able to knock a few down. We have the ability to play tougher and will continue to work on being consistent. We know we are not the "big" team but we still feel that we can be successful in our own way--doing the little things better!
