## Coach Notes

This was a great win for Royals Volleyball. This is the first time that we were able to overcome Buffalo. The two teams are very similar --there is some solid talent on both sides but there are moments where they just don't fight to win. I truly believed that we could win the match--the girls made it much harder than it needed to be. After dropping game three we made some small changes to ensure that we had the gamers on the court that would see their team through. Marika Paumen had a great all around game. Her play was complimented by Danica Reitzner--her defense was awesome and allowed us to get play off some tough Buffalo shots. Shannon Larson worked her tail off ---she set a strong mix that allowed various players to put the ball away. I would have liked a better serving night---we missed 7 and did not counter with alot of aces. We need to not only have high percentage serving but we need to be more effective.

Overall I am very pleased with our performance --we did some of the little things better. We have four tough matches left. This is great team and I feel we can finish the regular season strong.
