Coach Notes

This was a must win situation. We never fair well with Big Lake. It always seems to be a mental battle. This time we were able to overcome. We wanted to seek a conference championship. We knew that St. Michael would stand in the way. However, for the first time in our young history we finished second--7-1 only losing to STMA. We achieved one goal and now are setting our sites on our next goal.

Danica Reitzner was the stand out tonight. She was all over our back court doing everything that she could to ensure a victory. She made some amazing defensive plays to keep us alive. Her serving game has been fierce and sets the tone for the rest of the team. She has become a force at the line!!

Marika Paumen although scoring 20 kills really struggled to get in a rhythm with setter Shannon Larson. Our passing was very good but the two who usually dominate in offense battled the ball all night. Jordyn Motter is young and has made some young mistakes but she stepped up tonight. All original eleven varsity players contributed to the effort. Tonight was about taking all the work and sweat and finishing the regular season and the conference strong! We face Champlin Park -9th seed at home on Wednesday, Oct 22 for our first playoff game. We feel good about our match up. This season has been amazing. I have watched our young teams make major improvements. We have alot of great talent in our program and are looking forward to a strong future. I am very proud of these kids!
