Coach Notes

What an unfortunate ending to what I felt was such an amazing year. Our crew worked so hard the last four days to prepare for this match. I truly believed that we had more to offer Champlin Park. We beat ourselves. It is a game of errors and you have to be efficient at everything that you do. We were not putting the ball away the way we normally do. Honestly, we just were all over the place fundamentally. There were moments that the kids played solid. However, we just could not get in any type of rhythm. Shannon Larson hit a career benchmark of 1000 Assists--what a great thing to walk out of the gym with. Marika Paumen broke the record for career kills and block kills. Danica Reitzner and Abby Ellis were off the charts for receptions. Kaylie Peterson and Carly LeClaire had a solid performance in the back row. Jordyn Motter -our young rookie- really had a great night at the net. You do not see alot of what Jordyn does for us in stats--she is a great athlete and if she does her homework will be a strong force in the future lineup.

Emily Westberg and Cassey Paja--my two senior characters--they do subtle things that allow our team little successes. The bottom line is that I have had so much fun coaching this group. They are such great people--I looked forward to every day. I know that our Seniors will go on and do great things. We have a great group of young ladies returning--next year will be another great year. Thanks Coach Brummer
